JACI Style Brief

Full papers of about 5000 words, and in conformance with the American Psychological Association (APA) referencing style, are to be submitted via apsta@apstaafrica.org

Language: Use the spellings of Standard United Kingdom English

Line Spacing: 1.5

Length: Manuscript should not exceed 5,000 words.

Pagination: All pages should be numbered consecutively, at bottom centre.

Font: Times New Roman, point 12.

Notes: Electronically generated footnotes may be used but sparingly.

Final paper submission should be accompanied with a 200 word bio of authors, including a headshot.
